MEMORANDUM FOR: Executive Director-Comptroller

SUBJECT: Automatic Data Processing -
BOB Circular A-71

REFERENCE: Action Memorandum A-444, dated 26 March
1965, subject as above

1. Referenced memorandum, addressed to the DD/S&T, requested that the Assistant Director for Computer Services convene the ADP Committee. The Committee was asked to review Agency programs and plans for ADP and furnish you a written report through FPBC not later than 1 June on outstanding issues, some of which were specifically stated in your memorandum.

2. Dr. Wheelon is departing Washington on 28 May for a ten-day TDY to Australia. Inasmuch as the Action Memorandum was addressed to him, it is considered in order that the ADP Committee report be channeled to the FPBC and you through him. Because of his unavailability to review the report at this time, it would be appreciated if we may postpone submitting the report to the FPBC until 11 June.
